RE: Issuance of a Non-Expiring License to Operate a Residential Service Agency

Dear Manfred Tambe,

Issuance of a Non-Expiring License:

In order to obtain and maintain a non-expiring license, an RSA applicant must meet all of the requirements of the Code of Maryland Regulations (COMAR) 10.07.05 and any other applicable federal, State, and local laws and regulations.

COMAR 10.07.05.04D authorizes the Office of Health Care Quality (OHCQ), in its discretion, to conduct an initial licensure survey prior to issuing a non-expiring license. As OHCQ has determined that you meet all licensure requirements in COMAR 10.07.05 and applicable federal, State, and local laws, OHCQ has elected not to conduct a licensure survey. Enclosed is the non-expiring license issued to the above named RSA.

License Information:

License Number: H-16847-D
License Type: Residential Service Agency (RSA)
Status: Non-Expiring
Issued: June 9, 2025
Facility: Bella Healthcare Services LLC
Administrator: Manfred Tambe
Address: 9707 Bolton Street, Laurel, MD 20723

The Maryland Office of Health Care Quality recognizes Bella Healthcare Services LLC as a licensed Residential Service Agency in full compliance with all applicable regulations and standards.

Sincerely,

Tia Witherspoon-Udocox, MBA
